

Tylö sauna heater Sense Combi

Free your Senses

Sense Combi is a brand new sauna heater, combining sleek design with the reliable functionality and genuine quality of Tylö. Sense's quick and pleasant heat, precise temperature control and smart Eco-functions will free all your senses. Not to mention that the heater are equipped with a fiber-coated outer shell in order to minimize the risk of burns and an easy-to-clean, removable compartment for fragrant essences – all in a completely new design to complement any sauna. Sense Combi require one package of mini sauna stones (art. 9014 1050).

Sense Combi adds variation to your pleasure. It is a dry sauna, wet sauna or in clouds of soothing steam. The heater is equipped with stand-by mode and "divided output" to ensure an energy efficient sauna experience. It also includes the sleek h2 control panel. Sense Combi can be wall-mounted or floor-mounted with the optional legs that includes tip protection (art. 9000 1061).

Model	Output (kW)	Sauna volume (m ³)	Suitable control panel	Weight of stones (kg)	Size in mm (HxWxD)
